# ADVANTAGE

From the awesomely powerful 24 Litre 'Napier Railton' land-speed car, all-time holder of the Brooklands lap record, to major parts for the British Aircraft Corporation's Concorde, everything developed at Brooklands was designed with one thing in mind – gaining the edge over the competition.

Velocity is designed, built and located to help your business fulfil its potential. With Mercedes-Benz World and the four-star Brooklands Hotel as close neighbours, with their world-class attractions, conference facilities, bars, restaurants and spa, your company is set to enjoy every possible advantage.
