## To The Residents of the Town of Mukwonago

From the desk of the Administrator/Clerk-Treasurer

Due to the continued COVID-19 pandemic, the Town is operating under strict guidelines to make sure that all residents who come into the Town Hall or participate in our Parks and Recreation Programs are doing so in a safe environment. I want to thank our Parks and Recreation Department for their continued hard work to offer activities to our youth. We hope in the near future, we can offer other programs that would also involve the adults in the community.

### ELECTION NEWS

There will not be an election in Fall of 2021. There are only Spring Elections in odd numbered years. If you are not registered you can always visit the [www.myvote.gov](http://www.myvote.gov) site to register on-line. You will also need to re-register if you have a name change and this also can be done on the site.

### TAX COLLECTION

If you are going to owe the remainder of your taxes for July 31, those payments are to be made to the Waukesha County Treasurer, 515 W. Moreland Blvd, Waukesha or visit [tax.waukeshacounty.gov](http://tax.waukeshacounty.gov) if you need information or wish to pay on-line.

### BULK PICK-UP

Please Note: Effective January 1, 2020, due to the increase in cost for services for garbage/recycling collection, the Town re-negotiated the service contract with John's Disposal. In order to keep services pretty much the same, the Town did change the bulk pick-up to one complimentary bulk pick-up per year per resident. If you need additional pick-ups, feel free to contact John's Disposal and they will pick up your item(s) for a cost of \$50. This service was in the contract and due to some residents never using this service, the board felt this change would be appropriate and save money for the Town.

Respectfully,

Kathy Karalewitz  
Administrator/Clerk-Treasurer

## A NOTE FROM DAVID ADAMS

### *DIRECTOR PARKS & RECREATION*

Thank you!!

As we spring into summer and warmer temperatures, we are hopeful that you are able to join us for another safe, exciting summer (and fall) of activities! As always, safety and the well-being of our participants and their families remain critical in determining our overall success.

2020 brought about a number of “opportunities”, and we cannot begin to express how thankful and lucky we are to have the support of our Town Administrator and Town Board, as well as the great Community of Mukwonago. A special and sincere thank you goes out to those business owners that were kind enough to sponsor our youth programs, despite the uncertainty of the COVID-19 pandemic, as well as those parents, volunteers, officials, instructors, coaches, and kids that followed our COVID strategies with great patience and understanding.

Special mention is historically provided in our next guide, listing the various local businesses that sponsor our various activities... we are beyond blessed to live in a community that supports our local youth and programming! I would be remiss however, if I did not extend my personal gratitude to Jim Lombardo, of Bell Ambulance for donating 24 first aid kits for our youth sports activities; Mark Greene, of Lynch – Mukwonago, for donating 10 first aid kits for our youth sports activities; and, Victor Islami, of Blue Bay, for their generous donation toward our youth sports equipment needs.

As you browse through this guide, we are hopeful that you find an activity (or two) to enjoy this coming summer/fall... if not, we invite any and all suggestions as we are already working on additional programs for our winter offerings.

On a personal note, I wish to thank everyone at our beloved Town Hall for their help and guidance as I begin my first full-time season here for the Parks and Rec Department.
