TOWN OF MUKWONAGO

Public Safety & Quality Government Referendum

**ELECTION DAY
TUESDAY
NOVEMBER 8
2022**

The Town of Mukwonago has identified a need to add additional public safety and government personnel to the Police Department, Fire Department, Department of Public Works, and Administration.

Voters will be asked whether or not to support an increase in the Town's annual tax levy, beginning in 2023, to cover the cost of 3 additional police officers, 3 full-time firefighter/paramedics/EMTs, one Department of Public Works employee, one part-time Administration staff.

WHY DO WE NEED A REFERENDUM NOW?

Current funding levels and staffing models are insufficient to meet the growing service demands and need of the community.

The challenge is that while the need of our public safety efforts continues to rise, current funding sources are stagnant or decreasing, and our existing staffing levels inhibit our ability to adequately respond to the needs of the community.

Because of the state imposed levy limit, Town of Mukwonago must ask approval from taxpayers through a referendum to increase the tax levy to fund these services.

IF A MAJORITY VOTE "YES"

If the referendum is approved by a majority of voters, the Town of Mukwonago will be able to add critically necessary staff to public services. This will increase staffing levels to ensure that there are adequate staff to sufficiently respond to calls for service from the Town of Mukwonago residents.

ASSESSED PROPERTY VALUE	ESTIMATED TAX INCREASE	
	PER YEAR	PER WEEK

Taxpayers will see property tax increase of an estimated \$278.10 annually, or about \$5.35 per week, on a home valued at \$300,000, starting with the bills issued in December 2023.

IF A MAJORITY VOTE "NO"

A rejection of the referendum would not be the equivalent of maintaining the status quo for services.

Staff are facing burnout due to the current demand being placed on them. Without additional support, it is likely that numerous existing staff may opt to retire early or seek employment elsewhere. Town of Mukwonago residents would face lower quality of emergency services as a result of potential departures.

For additional information follow the website at www.townofmukwonago.us/referendum

Mukwonago Fire Department (MFD) responded to almost 2400 emergency incidents in 2021, an 86% increase in calls since 2000.

CRITICAL NEED FOR FIREFIGHTER/PARAMEDICS/EMT

Every year MFD recruits and loses on average 15 part-time staff members (100% turnover), largely due higher paying jobs including with other fire departments. MFD part-time staff are paid average \$13.50 on probation and \$15.00 an hour off probation. 53% of staff live and work outside of the community. MFD relies heavily on part-time staff, not full-time staff, and this is not sustainable to meet current and future community needs. Additional full-time staff are needed to bring fire and EMS capabilities in line with national standards.

During the past two decades, the population in the Town has increased over 1,100 residents, nearly 17%. Currently, MFD fire response times do not meet national standards. Additional full-time staff will ensure consistency, skill levels, experience and dependability while mentoring part-time. Supervisory staff will provide for succession planning and prevent burnout. Additionally, a department study completed in 2019 by a third party and presented in April 2020 determined and recommended staffing levels of five full-time staff per shift to meet current demands for service.

CRITICAL NEED FOR POLICE OFFICERS

The Town of Mukwonago has not added a new police officer position since 1998.

Below is a comparison of department activity between 2000 and 2019, highlighting the dire need for more officers. In that time, even though the population, calls for service, number of vehicles traveling through the community, leading to more traffic violations and traffic crashes, and serious calls for service have increased dramatically, our department has not added a single officer. In fact, we have not added a single new officer in almost 25 years. In Wisconsin, there is an average of 2.27 officers per capita. In Waukesha County, there is an average of 1.73 officers per capita. Here in the Town of Mukwonago, there are only .74 officers per capita. That is not a typo, we have less than 1 officer for every thousand residents we serve. As you can see below, we are dealing with a major increase in serious calls like domestic violence and suicidal subject calls, and we desperately need more officers.

2000	2019	CHANGE
Town Population -6868	Town Population – 8156	+19%
Calls for Service – 6982	Calls for Service – 20,860	+199%
Matter Of Reports – 138	Matter Of Reports – 252	+83%
Vehicle Crashes – 107	Vehicle Crashes – 169	+58%
Traffic Stops – 1241	Traffic Stops – 1652	+33%
ED/Suicidal Calls – 12	ED/Suicidal Calls – 84	+600%
Disorderly Conduct – 14	Disorderly Conduct – 103	+636%
DV/Family Trouble – 23	DV/Family Trouble – 85	+270%
OWI/Traffic Complaints – 61	OWI/Traffic Complaints – 207	+239%
Police Officers - 6	Police Officers – 6	+0%

Department of Public Works (DPW) currently has 2 employees and the Department of Administration Clerk/Treasurer has 2 employees.

CRITICAL NEED FOR DEPARTMENT OF PUBLIC WORK & ADMINISTRATION

Currently the DPW has a Superintendent of Public Works and 1 Crewman. The Town of Mukwonago has added 5 new subdivisions since 2014. This addition requires our DPW to maintain the roads for future. With only a Superintendent and a crewman, we don't have the ability to drive around the Town to repair the roads and roadsides and keep up with them. We can only take care of issues as they arise. We have contracted with Waukesha County to do our roadside trimming, which could be kept up by DPW staff from the Town, however, that job requires 2 people and we cannot designate the Superintendent and crewman to do that job for 3 months. The DPW also helps out the Parks and Recreation when requested.

The Administration/Clerk-Treasurers office currently has 1 Administrator/Clerk-Treasurer and 1 Deputy Clerk-Treasurer. The population was 6868 in 2000. In 2022 the US Census indicates the current population is 8373. The Federal and State government continue to push more and more responsibility on the local government and we don't have sufficient staff to handle the work, especially during busy times (i.e. elections and budget/tax season). The Administration is looking to add a part-time employee for 20 hours per week for the Clerk-Treasurer's office.

MISSION STATEMENT

The Town of Mukwonago Parks & Recreation Department is committed to enhancing the quality of life for all residents of the community. This is achieved through the development and maintenance of public parklands, in addition to providing a variety of quality recreational programs and activities.

A NOTE FROM DAVID ADAMS

DIRECTOR PARKS & RECREATION

As we fall into autumn and our annual snowfall season, we are hopeful that you are able to join us for another safe, exciting fall (and winter) of activities!

As we reflect on summer, we would first like to thank our sponsors of our various sports and educational activities; as well as the numerous volunteers that put their own time and energy into positively impacting our kids and our community.

Please note, as you look through this guide, you will notice one policy change that we have had to employ to help keep things fair and manageable as we continue to grow our programs – that being a sports league change of no late registrations or refund requests being accepted following the coaches' meetings and drafts.

As you browse through this guide, we are hopeful that you find an activity (or two) to enjoy this coming fall/winter... if not, we invite any and all suggestions as we are already working on additional programs, including the continuation of our middle-school-aged baseball and softball offerings, for our Spring of '23 Activity Guide.

We would be remiss, if we didn't extend a very special thank you to the Mukwonago Braves and Mukwonago High School players and coaches that took the time to run drills and teach kids at our Annual Opening Kickoff event at Lynch Stadium's Hensler Field.

THANK YOU to our 2022 Field Banner Sponsors!!!

YOUR BUSINESS CAN SPONSOR A TEAM IN SUMMER or participate in our SPONSOR FIELD SIGN PROGRAM

Did You Know? Lauren Park is host to many athletic events and visitors year round. By taking advantage of this Sponsorship program your Business will be viewed by thousands during the course of the following events: Mukwonago High School Girls Softball Games; Youth Baseball & Softball games and practices; Youth Flag Football games and practices; Park Rentals by Individuals & Groups; and daily visitors by members of the community for leisure activities.
