Goal: To promote sensory, fine motor, and social skill practice during a festive Halloween group setting. All children are encouraged to wear costumes!

Objectives: A group for kids to build social skills for success and have fun!

1. Be able to successfully participate in group activities (cooking, games, arts and crafts).
2. Practice social skills including taking turns, interacting with others, and communicating through game play and cooking tasks.
3. Promote fine motor skills by manipulating Halloween craft materials.
4. Explore sensory tools through Halloween themed tactile activities (build a monster).
5. Have fun and form new friendships!
6. Food and treats are included so please advise if your child has any food allergies.

Preregistration Required: Contact Integrative Psyche at 414-545-4430 or by email: integrativepsychegroups@gmail.com
