SENSORY FRIENDLY HOLIDAY TREE LIGHTING

December 1, 2022 from 5:30 pm - 7 pm

Love celebrating the holidays but worried that certain events will be overwhelming?

The Mukwonago Community Library and the Autism Society of Southeastern Wisconsin are hosting a brand-new Sensory Friendly Holiday Tree Lighting for children and adults with autism or other developmental disorders! Visit with Santa, stop by the different craft and activity stations, and help us count down the tree lighting outdoors!

511 Division Street • (262) 363-6411
