

Donations to Food Pantries 2022

It is time to help the food pantries!!

The Mukwonago Optimist Club is inviting you to join them and some local businesses to help the Food Pantries restock for the holidays. Here is a list of the participating businesses and what they would like to collect for the food pantries.

Associated Banks in Mukwonago and Muskego need beverages such as ground coffee, tea, and juice as well as laundry and dish detergents. Donation dates are November 25th through December 19th. Mukwonago Citizens Bank down town Mukwonago and the Vernon Lutheran Church located at W27550 National Ave would like hats and mittens to put on their Food Pantry Christmas trees. They will accept donations November 15th through December 1st. Just drive up to the banks and drop off your donation!

Let's care to share for the holidays!!
