how I can use simplecall

[mobile](#)[landline](#)[app](#)[PC](#)[abroad](#)

mobile

International mobile calls – made simple!

Worried about your mobile's IQ? It's ok – it doesn't have to be smart! There are so many ways to stay connected with **simplecall**. If you have a mobile, we have a way.

It's so simple, too. Just register your mobile number with us and you'll soon be calling anywhere in the world hassle-free, enjoying **simplecall's** usual low rates.

Sign up and start saving

1. Register your mobile number

- Simply register your mobile with simplecall and we will text you a 4-digit PIN.

2. Type in your PIN

- Go to your account, carefully enter your PIN and you're all set. We will email you your log in details for your reference.

3. Get calling

- Click '**top up now**' from the left-side menu and follow the prompts to add credit to your account. Then it's time to say hello to family and friends!

Say 'hello everybody!' They're waiting for your call!
